Common expenses shall include:

(a) Expenses of administration.

(b) Expenses of maintenance and repair of the Common Area.

The regular assessment may be made payable on a monthly, quarterly, or annual basis.

Section 4. Special Assessments for Capital Improvements. In addition to the regular assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the properties, provided that any such assessment shall have the assent of at least 75 percent of the members voting in person or by ~~proxy~~, **proxy** at a meeting duly called for this purpose. Section 7. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage which was recorded before the assessment became due. The sale or transfer of any unit shall not affect the assessment lien. However, the sale or transfer of any unit pursuant to the foreclosure of a first mortgage with priority over the lien shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, and such unpaid expenses or assessments shall be deemed a common expense of the Association. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

Junior lienholders or purchasers ~~under than~~ who acquire title to a unit as a result of foreclosure of such junior lien shall take title subject to the lien of any unpaid assessments.

The recording of a notice of claim of lien shall not constitute the exclusive means of perfecting and enforcing liens, and recordation of a claim shall in no way affect any foreclosure or other enforcement of a lien provided for in this Declaration. Such recordation shall not be required as a prerequisite or condition to bringing any action to recover a money judgment for unpaid assessments, nor shall the absence of any such recordation impair or otherwise affect a defendant owner's right to ~~assert~~assert, as an offset or counterclaim, the failure of the Association to comply with this section.

Section 1. Owner Responsibility for Structure Exterior. The owners within each Structure are collectively responsible for the maintenance, repair, and replacement of that Structure's exterior envelope to the original building standard (the Standard Unit), including but not limited to the roof, siding, exterior paint, original exterior windows and doors, and structural components. The Association's master policy separately insures this Structure exterior to the original building standard; maintaining the exterior and insuring it are distinct responsibilities (see Bylaws Article XII).

Section 2. Sharing of Exterior Cost Within a Structure. The owners within a Structure share the cost of the maintenance, repair, and replacement described in Section 1 equally: each unit in the Triplex bears one-third (1/3), and each unit in a Duplex bears one-half (1/2), of that Structure's exterior cost.

Section 3. Improvements and Betterments. Any exterior improvement, betterment, or modification above the original building plan — including but not limited to an enclosed deck and the associated changes to siding, windows, or roofline — is the sole responsibility of the owner who owns or made it, for both maintenance and insurance.

If an owner submits a proposal from the conditionally approved list, it shall be deemed approved within two weeks of its submission unless the Board otherwise notifies the owner in writing to the contrary. Notwithstanding the foregoing, nothing in this Article prohibits or unreasonably delays the installation, maintenance, or use of an antenna or a satellite dish one meter or less in diameter protected under 47 C.F.R. 1.4000 within an owner's exclusive-use area; architectural review of other items is unaffected.
