The coverage does not extend to improvements or betterments above the Standard Unit, which each owner must insure as provided in Section 4 of this Article and in ORS 94.685, as amended. The insurance policy or policies must protect against loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement as well as those covered by the standard "all risks" endorsement. If at all possible, the policy will also contain an "agreed amount and inflation guard" endorsement. Such policy or policies shall name the Association and the individual owners as insureds and shall provide for a separate loss payable in favor of all mortgagees. The policy or policies shall provide for a deductible in an amount the Board sets by resolution, consistent with ORS 94.675, as amended. As provided in ORS 94.675(3), as amended, the amount of any deductible shall be added to the face amount of the policy in determining whether the insurance equals full replacement cost.

(b) Liability Coverage. ~~equipment within individual dwellings if they will be financed by a mortgage. The insurance policy or policies must protect against loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement as well as those covered by the standard "all risks" endorsement. If at all possible, the policy will also contain an "agreed amount and inflation guard" endorsement. Such policy or policies shall name the Association and the individual owners as insureds and shall provide for a separate loss payable in favor of all mortgagees. In no event shall such policy or policies have a deductible clause in excess of \$1,000 per unit.~~

~~(b) Liability Coverage. In satisfaction of ORS 94.685, as amended, each owner shall obtain and maintain insurance covering, including but not limited to, the improvements and betterments to the owner's unit above the Standard Unit (as defined in the Declaration, Article I, Section 9) and the owner's responsibility for the deductible under the Association's master policy. Such owner coverage shall exclude any coverage that the owner is precluded from obtaining so as to avoid duplicate coverage. As between the Association's master policy and an owner's policy, the master policy shall be primary as to the Standard Unit and the owner's policy shall be primary as to the owner's improvements, betterments, and master-policy deductible responsibility, so that there is neither a gap nor an overlap in

coverage. Each owner shall promptly inform the Board of any loss, claim or damage which may be covered under a policy maintained by the Association.

Section 4. ~~(BY-16)~~ Owners' Obligations. Each owner shall be responsible for obtaining, at their own expense, insurance covering their property not insured under Section 1.
